### Mr. Taft's Coming Visit.

ment of his candidacy, it will be well understood by everybody that the tour is for the purpose of presenting

Some emphasis is laid upon the statement that he will make severa speeches in Nebraska and Oregon. It these two states, under the provisions of unique primary laws, the people will choose delegates to the nationa conventions without the machiner, of local conventions. It will be in teresting to observe developments in Oregon, for in that state insurgency under the lead of Senator Bourne i supposed to be rampant. Evidently Mr. Taft proposes to carry the wainto Africa, so far as Bourne is con

When he swings through Arizona the president will have no occasion pen to be in abeyance still, it will be choose to follow his advice, and year has been lost already. But s

## Statistics of Agriculture in Arizona.

The preliminary statement of general farm data for Arizona, Issued by furnishes some interesting details of the progress of the farming industry period from 1900 to 1916

a large land company. The transfer These lands, not enumerated in 1910.

farms reported in 1910 there were were conducted by white the number of farms of white farmers during the decade amounted to 1,967, and in the number of farms of negro and other nonwhite farmers to 302.

The total number of farms operated in 1910 by owners, part owners, and owners and tenants, comprising

enants, and cash and share tenants, 6 a. m., mountain time, yesterday; omprising the "all tenants" class Stations Temperature Rain Weather. increase of 368.

The total number of farms operated by managers in 1910 was 161, as ompared with 335 in 1900, a decrease of 174

## HER REASON.

She stood before her parents with depurely downcast eyes "My daughter," he said, "I am inde crieved to hear of your goings on.

"Goings on, dady?" she asked. "Goings on, my wayward offspring ast year your fond mother warned yo that, unless you soon became engaged she would not hold herself responsible for your future. But now she informs me you have become engaged to five different people.

"Worry," he echoed, "how can I help vorrying?" "You see, they're all footbal! play

Sne smiled at him half compassion ately as she answered "Why, everything. At the end of th season I shall marry the survivor."

CLEAN-PURE

Of the people who reach the age of 60 are dependent upon their children or relatives. Are you one of the 5 or of the 95? By starting an account with our Savings Department and adding to it a few dollars each week that one spends needlessly, it will insure one against being one of the 95.

4% interest compounded semiannually paid on all Savings account deposits.
